Summary:

The children at Heskin Pemberton's are fortunate to experience a wide range of high quality PE sessions, sports, competitions and enrichment activities throughout their time at school. The staff provide a full and engaging curriculum and offer a wide range of after school, lunchtime and breakfast clubs. For a relatively small school, Heskin competes in a wide range of sports throughout the Chorley area. Children are being educated in the physical, social and emotional benefits of an active and healthy lifestyle.
