PERSEVERANCE - THANKFULNESS

### **How is the decision made about the type and quantity of support my child receives?**

The type and quantity of support will be decided upon through consultation with parents, teaching staff, support staff and other relevant outside agencies. This may mean that to build on targets, some children will receive small group interventions or 1:1 support. All children are differentiated for accordingly.

If a child has an EHCP, they will also have input from the local authority which may depict the level of individual support the child should receive.
