Dear Mr Brindle, Staff and Pupils

We are writing to say thank you so very much for taking the time to fund raise for us through your cake making session. We were overwhelmed to hear that your school had raised £135.55. We are so grateful and appreciate all your support and encouragement. It means a lot to us. If you have any pictures you could send through with a few words on the fund raiser we would love to add it to our Face Book page.

We try our best to make everyone who comes into the Foodbank with a referral feel welcomed and cared for. We always offer them a hot meal from our café as well as an array of tinned and fresh food. Many comment on how amazed they are with the amount we are able to give.

So many families are struggling to feed their children with the basic essentials, we thank God continually that we are able to make such a huge difference in our town. Without kind generous people like yourselves we could never achieve all we do.

One man came in for his hamper and was offered a breakfast from our cafe menu. He commented "I can't believe all these good things are happening to me today, a bag of food a lovely breakfast and someone to sit and listen to me...you have made my day!" When we hear things like this it always makes our efforts all the more worthwhile.

We are also in the process of organising over 500 hampers for families over Christmas for places such as Schools, Cotswold House, The Bridge, Parker St etc. none of which we could do if it wasn't for support from people like yourselves.

We thank God for bringing us together in this way and pray that you will experience many blessings from His Storehouse in heaven in the days and weeks ahead.

Kind regards

Carol and the Storehouse Team
