× and ÷ FRACTIONS (also fraction of an amount)

09

BODMAS BIDMAS

10

HOW TO USE

* CLick the numbered boxes for STANDARD booosters (you have to find the answer)

* CLick the light bulbs for PROVE IT boosters (answer given, you explain where it comes from)

* Boosters 1 - 10 cover the Arithmetic paper which is worth 40 marks.

* Boosters 11 - 48 cover two Reasoning papers which are worth 35 marks each.

* The Skills on Boosters 1 - 10 will also help with the Reasoning Papers

FRACTION, DECIMAL, PERCENTAGE EQUIVALENCE
