Dear Parent/Carer,

COVID-19: Key Worker Children's Club

The official guidance and classification of Key Workers has still not been released. I realise that information regarding child care will be extremely important to you therefore I have provided a list of **potential** Key Worker roles which should enable you to make an informed decision regarding your entitlement to the emergency Key Worker Children's Club provision. Once further clarification comes from central government, I will update you with a comprehensive list of Key Worker Roles.

Potential Key Workers:

- Lancashire School Staff
- NHS Staff
- Social Care Staff
- Supermarket Delivery Drivers
- Members of the Emergency Services
- Members of the Armed Services
- Public Sector Workers, vital to the infrastructure of the community
- Prison Officers
- Highway Agency Traffic Officers
- Environmental Health Officers

Please note that this is not an exhaustive list of roles classified as key Workers and will be subject to change once these positions have been confirmed by central government. If you believe you will qualify as a Key Worker, once this information has been released, then please complete the form and send it to me at your earliest convenience.

Best wishes,

Alan Brindle
